8\* Motions - – **Hon. Anthony Nzaka Ndune: Department of Education, Youth Affairs and Sports**

Aware that, many school going children don't attend school regularly because of diseases like diarrhea, ringworms infections, and jiggers' infestation and many other water borne diseases. Further aware that these are diseases that are easily preventable and curable, concerned that the academic performance of these children is severely affected because of these diseases and irregular school attendance.

**\*Denotes Order of the Day**

(315)

This house urges the County Executive Member in charge of Education to develop a policy or legal framework that ensures school going children get regular vaccination by doctors and nurses from the County by visiting the public schools at least once in a month to vaccinate and educate the children on preventive measures.
