PRAYERS

NOTICE OF MOTION

VOTE ON ACCOUNT

Hon. Mangi: Mr. Speaker Sir, I beg to move the following Notice of Motion before this hon. Assembly:-

Thank you, Mr. Speaker, Sir.

MOTION

THANKS FOR THE SENATORIAL ADDRESS

The Leader of Majority (Hon. Mwingo): Thank you Mr. Speaker for giving me this opportunity to move this Motion before this House. I beg to move:-

THAT, pursuant to the provisions of Standing Order 20 (6), the thanks of the County Assembly be recorded for the exposition of public policy contained in the address of the Senator delivered on Monday, 11th July, 2016.

May I call upon hon. Teddy Mwambire to second?

(Hon. Mwambire stood at his place to second)

The Speaker (Hon. Kahindi): A Motion has been moved pursuant to the provisions of Standing Order 20 (6) that the thanks of the County Assembly be recorded for the exposition of

public policy contained in the address of the Senator delivered on Monday, 11th July, 2016. I do propose that the same is now ready for debate. Hon. Teddy Mwambire.

Hon. Mwambire: Thank you very much Mr. Speaker for granting me this opportunity to support the debate of the Motion as tabled by the Leader of Majority to discuss the speech by the hon. Sen. (Rtd) Justice Stewart Mwachiri Madzayo.

I am still wondering. Looking at the Constitutional provisions and what he shared on page three in his speech on the role of the Senate, it completely contradicts with the issues that he shared at the end of his speech. The roles of the Senator if I may read, as he portrayed on page three were;

“The Senate represents the counties and serves to protect the interests of the counties and their Governments.”

Two, “the Senate participates in the law making function of parliament by considering debating and approving Bills concerning counties.”

Three, “the Senate determines the allocation of revenue among counties as provided in Article 217 and exercises oversight over national revenue allocations to the County Governments.”

Four, “the Senate participates in oversight of the state offices by considering and determining any resolution to remove the President or his Deputy from office in accordance with Article 145 of the Constitution.”

Mr. Speaker, looking at the roles which the Senator is very much aware of and the issues that he shared in this Assembly, as the Liaison Committee Chairperson, I felt abused especially when he was sharing information as if this county has been doing nothing for the last four years.

The Senator should have come earlier to build the capacity of the Committees, including the Committee on Labour and Social Welfare which he chairs at the Senate. I am one of the people in this republic who sent a petition to the Senate to question the modalities on how monies are being channeled to the counties. Money is not disbursed as per the Public Finance Management Act (PFMA) and the Senate including our Senator is there rejoicing. When I sent that petition, I felt that our own Senator would be the first person to support so that money can be disbursed to the counties on quarterly basis as it is stipulated in the PFMA. In that regard, the counties would have gotten the opportunity to complete all the projects. Even the absorption rate in the counties could have worked so well. Some counties including Kilifi got its allocation a few days to 30th June, which even our own Senator is aware that it is impossible looking at the procurement procedures. It means that all the money was supposed to be revoted instead of being utilized as Kilifi County residents would wish.

Mr. Speaker, I think he should take time to make himself aware of what is happening in this county, because I believe if he could have visited the County Assembly with the infrastructure that we have put in place, he could not have written such a speech. I think there is need to go around and see the actual challenges that we are having and then he gives us information on what is happening at the National level. Basing on what he is supposed to do, he is supposed to oversee the National level while we oversee at the county level. Let him come and we sit as leaders of this county so that we share different issues and he can also give us his views instead of dictating us. It is like abusing us. Why should he abuse us in the fourth year?

Of all those years we have had a Senator who has been getting his salary and all the allowances; he was not sick because we have been seeing him at the Senate. Even the time we visited the Senate when we wanted to look at how best we can come with this magnificent

Chamber, Mr. Speaker the Senator was there and he was laughing. In fact he gave me Ksh.2, 000 for air time.

(Laughter)

So he was okay. I expected him to have come but he has never come and he is not even aware of what we have at the Assembly currently. I think he was misplaced; but let us just respect him because he is one of our own. He should also learn how to work with other leaders. Let him learn how to have team work and assist this county to the fullest of what Kilifi people require him to do. With those few remarks, I will still call our Senator to come back home and get more information about this county so that we can move together. Thank you very much.

Hon. Kenga: Thank you very much Mr. Speaker. Allow me to make my contributions regarding the address by the Senator. For the last four years, we have been made to operate as orphans. The Senator having been elected by the great people of Kilifi County to represent and take care of the interests of the county, we have missed him; we have not seen him in action in taking up the responsibilities, roles and functions that he is supposed to be performe.

Mr. Speaker, the County Assembly, and I am glad that this happened when you visited the Senate and even saw how they engaged when they were supposed to come up with a formula on how they were going to share the revenue that would now be channeled to the counties. During that time we had expected the Senator to be very present and even to contribute so that the voice of the great people of Kilifi can be heard. When you came back Mr. Speaker, it was so sad to learn from you that our Senator and some Senators that represent the counties of the former Coast province were not present. If they have been elected by the people to take care of our resources, it was time for the Senator to make contributions. They want to see how best we can improve on the issue of revenue sharing as regards to equitable share.

Our Senator has highlighted so many problems; poor education standards, poor infrastructure, poor health standards, lack of facilities and all these can only be performed. Implementation of these projects is through finances. Where has he been? We need him so that we can increase the equitable share.

Some of the issues that he gave in his speech are why in the morning when we started I had already wanted to make my contribution because I thought we were contributing toward the address of the Senator. There are so many projects that he had tried to highlight that once they are undertaken by the County Government will better the lives of the people of Kilifi but I want to tell you, why so little so late? Four years down the line he is coming today. We have already passed the budget. Now, how can we put these projects that he has given out and in which budget? I am left worried and I want to believe that this is the voice of the people; the hon. Members who are in this Assembly.

It is so sad that other Senators have had numerous visits to their counties and have had opportunities to engage one on one with hon. Members of their County Assemblies. Infact, when I sat in the House Business Committee and then we were supposed to slot the business of the day that the Senator was to address the House and the hon. Members of the County Assembly, I was very worried. It was like; is he coming to address this House because soon we are officially going to open and may be because he has to be invited? Anyway, he is our Senator and because he represents the interest of our counties may be we are compelled to invite him to come and be one of the dignitaries who are going to be present during the official opening. So, is he coming

just because he had wanted... you see in Kiswahili “*kuondoa haya kwamba hakuja mda wote ule na kwa sababu Bunge letu tutafungua basi aje ajifiche*”...

The Speaker (Hon. Kahindi): Hon. Member, you are out of Order!

Hon. Kenga: Thank you Mr. Speaker...

The Speaker (Hon. Kahindi): You need to proceed in English...

Hon. Kenga: Thank you. I am very brief.

The Speaker (Hon. Kahindi): I am very sure you are able to...

Hon. Kenga: I am very able Mr. Speaker and thank you. I was saying as an Assembly we have had various Committees with various mandates and we have seen and even recently we were dealing with PIC and PAC Report that highlighted some issues with recommendations. Once put in place, we will even achieve better.

It was like he was portraying that Members of the County Assembly have always been sleeping; that we have been doing that a lot while there is rampant corruption and things are not moving. Where has he been if things have not been moving? When you say that there is poor performance by our students in schools but he has not even attended even a single forum to engage members of the county. We have not had as Members of the County Assembly a session or sitting whether formally or informally with him to engage us so that we can chart a way forward for the better of the people of Kilifi.

Mr. Speaker, the Senator needs to improve. We need to see him if he really means it or is he coming because we are just nearing the election year. Is he coming seeking for votes? So that the media will portray that he was talking like he was fighting against corruption. No, that is not the way to go. I believe he needs to up his game; he needs to come down to the people and talk to the elected Members so that we can improve and make sure that we create a better Kilifi. Thank you very much Mr. Speaker.

Hon. Nzaka: Thank you Mr. Speaker, Sir, for giving me this chance. Mr. Speaker, Sir allow me to...

The Speaker (Hon. Kahindi): Hold on. I think there is a malfunction there. Hon. Hassan you will speak next. Sorry! It seems your card has over read everybody so just proceed.

(Hon. Hassan spoke off record)

Just hold on. I think there is a small problem.

Hon. Mlanda: Bw Spika, ngoja nishukuru kwa kunipatia nafasi hii. Kulingana na kutembelewa na Seneta wetu wa Kilifi mheshimiwa *Rtd* Justice Madzayo. Kusema kweli, ilikuwa ni wakati mzuri kuwa na Seneta huyu kututembelea wakati tunaenda kipindi chetu cha mwisho.

Yale ambayo ametuelezea katika taarifa yake alipokuwa anatuzungumzia katika Bunge letu hapa ni mambo mazuri. Tukianza upande wa elimu, alituzungumzia, tukaenda kwa ukulima akatuelezea, na upande wa uchumi pia akatuelezea. Lakini jambo la kushangaza ni kwamba hakuna mahali hasa hapa kwenye upande wa uchumi kutuonyesha ni mikakati gani ambayo tutatumia ili Kilifi yetu iweze kuinuka kimapato.

Mahali ambapo palinigusa ni pale aliposema kwamba tumelegeza kamba kama Wabunge wa Serikali ya Kilifi. Upande wa kiwanda cha Korosho, alipokuwa amesema kimeuzwa na anajua na hata pengine wakati huo kikiuzwa mtambo ule alikuweco upande wa serikali. Pengine Seneta angekuwa ametuangazia...

The Speaker (Hon. Kahindi): There is an intervention from hon. Teddy Mwambire.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Hon. Mwambire: Mheshimiwa Spika, nimesimama kwa Hoja ya nidhamu. Mheshimiwa ambaye yuko kwenye sakafu amesema anaunga mkono matamshi ya Seneta wetu alipoongea kuhusu maswala ya elimu. Anajua wazi kuwa Seneta alikuwa akisema kuhusu wanafunzi kufanya vibaya katika mitihani ya kitaifa na sisi kama kaunti tunajua wazi tunasimamia maswala ya chekechea na vyuo vya kiufundi. Je hapo kulikuwa kuna la kusherehekea ama pia mheshimiwa anataka kutuchanganya hapa Bungeni?

Hon. Mlanda: Asante sana Bw Spika. Ni kwamba katika maelezo yale ambayo alikuwa akieleza Bunge hili na nimeenda moja kwa moja. Lakini ningemuomba mwenzangu afatilize yale ninayoyaongea si kwamba aliongea yale kuwa... yeye alikuwa anapongeza serikali ya kaunti ya Kilifi kwa mipangilio ya zile sehemu mbalimbali kama upande wa elimu, ukulima na afya. Langu nililokuwa naendelea kuongea ni kwamba yale aliyokuwa akiongea na kupongeza ni kuwa hakupeana mwongozo mwafaka ili tufatilize kuona kuwa tunafikia yale aliyokuwa akiyazungumza.

Niruhusu Bw Spika, niendeleo na pale nilipokuwa nimefikia kiwango kile cha upande wa kiwanda cha Korosho. Ni kwamba Seneta wetu ana ufahamu mzuri wa kusambaratika kwa mtambo ule. Nakumbuka alitutajia ni serikali ipi iliiza mtambo ule. Lakini jambo la kushangaza ni kuwa anatulaumu sisi ya kwamba ni mbwa ambao tuna meno na hatuwezi kuuma. Sisi tunatarajia kama kiongozi awe mtu wa kwanza kabisa wa kutuongoza sisi kupiga vita serikali ile iliyouza mtambo ule. Ama ni njia gani mwafaka Bw. Spika angalipena kwa Bunge hili letu kuhakikisha ya kwamba tunafwatiliza yale ambayo anatuambia ili tuweze kuokoa mtambo ule na uweze kufunguliwa?

Alituambia pia hapa Bw. Spika ya kwamba kuna sehemu kama Meru iliyopewa shilingi bilioni mbili kufufua uchumi wa miraa, akatutajia sehemu za Mumias huko sehemu za Kisumu lakini kwa nini kama kiongozi wa Serikali yetu ya Kilifi asitupatie mwongozo mwafaka? Hakosi kwamba anajua zile mbinu ambazo zilitumika kule; kama sisi hatujui je yeye anashindwa kutuongoza sisi kama Wabunge wa Kaunti ya Kilifi na kutuambia tufuateni njia hii? Ikiwa yeye ndiye kama kiongozi ama Seneta ambaye yeye amesomea sheria, sisi wengi wetu hatujui sheria hapa. Angekuwa mtu wa kwanza kabisa kutupa ule mwongozo wa kisheria. Basi angetupa ule mwongozo sisi tukatae kwamba hatuwezi kufwatiliza hali ile na kuhakikisha kwamba...angelisema ni kweli...

The Speaker (Hon. Kahindi): Yes hon. Kenga.

Hon. Kenga: Thank you Mr. Speaker. I am standing on a Point of Order. I need to be guided whether you are presiding over a group of hon. Members who are ignorant of the law. He alludes that we don't know the law. I want to believe that we are all law abiding hon. Members and we know what the law is. Thank you.

The Speaker (Hon. Kahindi): Hon. Mlanda...ignorant of the law because the Speaker is a reputable advocate and one who is also very vast with law. I do not know whether you are referring to yourself or you are referring to the County Assembly of Kilifi?

Hon. Mlanda: Asante Bw. Spika. Nachukulia ya kwamba ikiwa mimi sikusomea sheria na nina hakika si wengi ambao tumesomea sheria katika Bunge hili, ni wajibu wa Seneta wetu kutupatia mwongozo kama vile alivyosema hapa jana ya kwamba sasa Wabunge wa Kaunti ya Kilifi mkifuata njia hii tunaweza kukomboa mtambo wetu wa korosho kuliko kuja hapa na kutulaumu ya kwamba tumeachia mtambo ule kwa wale waliokuwa wameuziwa na hatuchukui hatua yoyote.

Kuna mambo mengi aliyoyaongea katika hili Bunge lakini je, mwisho wake wa kuisha alitupatia mwongozo gani? Mimi sioni kama kuna mwongozo wowote aliotupatia bali ni

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

kumalizia na kulaumu wabunge wa serikali yetu ya Kilifi ambapo angekuwa ametushukuru sana kwa ile kazi ambayo tumeifanya kuanzia mwaka tuliochagulia hadi kufikia wakati huu. Mimi nataka kuungana na wenzangu kuhakikisha kwamba kama nilikuwa nimeshika vizuri jana, ni kwamba atapanga pengine siku tatu ya kukaa na Bunge hili ili aweze kutuzungumzia zaidi, lakini wakati utakuwa uko wapi? Maanake tuliambiwa alikuwa aje, hakuja, akaweka ahadi ya kuja, hakuja, lakini jana ndio akaja na sasa ndio akatuambia kutakuwa na hivyo vikao vya siku tatu.

Sisi ni ile heshima ya kumwekea lakini pia ni vizuri ajue pia sisi tuna majukumu yetu ya kufanya ili na sisi tuweze kuhakikisha kwamba wananchi wetu kule mashinani tunawahudumia ipasavyo. Naungana na wenzangu Bw. Spika, kupinga mazungumzo yaliyonenwa na Seneta.

Hon. (Ms.) Elina: Asante Bw. Spika kwa kunipa nafasi hii nami nichangie hotuba ya Seneta wetu hakimu mustaafu. Kile nilichokisoma mimi jana katika hotuba yake ni kwamba alikuwa anakuja kuangalilia haya maendeleo yetu kwa sababu alikuwa hana ajenda. Hawezi kutukosoa akiwa yeye mwenyewe hajijui pale alipo; hawezi kutuambia tunapata pesa wakati yeye mwenyewe hazifwatilii.

Amepata malalamishi katika afisi yake ilhali hakuna Mbunge hata mmoja aliyemhusisha ya kwamba tukishika njia hii tunaweza tukashika kitu fulani pale. Anakuja kutufundisha sisi kwamba tusiwe wafisadi wakati yeye amekuwa mfisadi. Amekaa Seneti miaka minne bila kuja Bunge hili na yeye nimchaguliwa wa Kilifi hii; anamwakilisha nani kule Seneti? Nafikiri alikuwa amekuwa atupime na atuangalie vile tulivyo. Nataka tumuambie yeye ndiye amepoteza wakati kwani sisi tunaenda sambamba na kazi zetu.

Sisi tunashukuru Bunge la Kaunti kwa kutupeleka kusomea hizi sheria na tumezijua; tunajua haki zetu, majukumu yetu na kazi zetu na yeye ndiye hajui kazi yake. Nataka tumwambie ya kwamba anakuja baada ya siku tatu hizi na aje kwa sababu alikuwa amesikia hili Bunge lilikuwa linafunguliwa na itakuwa aibu maana yeye hujifanya muongoza ratiba katika kila mkutano unaokuja wakubwa. Sasa akaona akija hapa atazungumzia mambo ya hili Bunge akiwa angali hajaingia ndio jana akaja hapa. Seneta yale aliyoyazungumzia yote alipuuzia nasi tunataka tumwambie sisi ni watu ambao tunaewa majukumu yetu.

Anasema kwamba anashukuru sana Kaunti ya Kilifi kwa sababu ya mambo ya *bursary*. Mambo ya *bursary* yeye mwenyewe tunajua kumpigia simu kwamba mtoto amekwama Nairobi na Mheshimiwa uko Nairobi utamsaidia vipi? Mheshimiwa anasema nitakutumia shilingi 3,000; mtoto alikuwa amefukuzwa Chuo kikuu cha Kenyatta na anatuma shilingi 3,000. Ukimuuliza anasema nitakuja huko nyanjani; hivyo amekuwa ni mkubwa wa kuenda mazishini maana anajua kazi ni 2017. Sasa amekuja kwetu anataka usaidizi.

Mimi jana nilikuwa ninamuangalia vile alivyo wacha amalize wakati wake na aende. Hana msaada wowote aliotusaidia katika Kaunti ya Kilifi Seneta wetu Madzayo. Hakuna Wadi aliyoitembelea hata moja na sasa atajuaje miradi haifanywi? Kwa nini asikize upande mmoja wa mwanakandarasi? Mbona upande huo wa Wadi zetu hatutembelei ili ajue miradi yetu inaendelea vipi? Mwanakandarasi ni nani na nani? Akaweza kujua mambo ya wananchi yale waliyosema na yale ya wana kandarasi. Yeye anasema wana kandarasi wanalia kwamba wanaopewa ni wana kandarasi kutoka nje na hawa wa Kilifi hawapewi.

Yeye kama mkaazi wa Kilifi alifanyia bidii nani mpaka akapewa kandarasi? Yeye alikuja hapa kutupima akili kwa sababu yeye amekuwa hakimu mkuu lakini uhakimu wake na siasa umemchangana akili. Saa hii hana la kusema tena. Wakati mwingine mimi nitapuuzia hizo barua zake anazotualika. Kumbe anaturalika halafu aje atusomee hapa kwamba nyinyi mmelegea hamfuati miradi inaenda hivi; mara kiwanda kimeuzwa. Wakati kiwanda hicho kilikuwa kinauzwa yeye kama mwanasheria alikuja kutusaidia vipi?

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

Sasa amerudi kuwa Seneta na kazi amepewa na wananchi wa Kilifi na kiwanda kimeuzwa na bwenyeye. Yeye kama hakimu mkuu ama yeye mjuaji wa sheria alimsaidia vipi mkaazi wa Kilifi ya kwamba hiki kiwanda nitafanya bidii kipindi hiki changu cha miaka mitano kirudi kwa mwananchi. Mbona hakurudisha?

Hotuba yake ya jana alikuwa amekuja hapa kujionyesha ubepari lakini ninaona ameenda amejua hapa pia kuna watu hawajali mambo yake. Jana kwanza hata hakuona marafiki. Baada ya kutoka hapa Bunge jana tulikuwa tumegawanyana. Watu hawakujua kwamba kuna Seneta amekuja maana ni Seneta mwenye ubinafsi. Si Seneta anayekaa na watu. Hivi sasa hata ukimualika katika wadi yako anakudanganya na hatakanyaga. Kwanza wananchi wenyewe huko mashinani wanasema kama kuna kura iliyopotea ni ya useneta.

Yeye alikuja kutuambia sisi hatuwajibiki na mambo yetu katika Wadi zetu ama hatuangalii mambo ya Kaunti yanavyoendelea lakini hao wananchi vile anavyowambia wanasema kama wangeulizwa maoni wangelisema kura ya Seneta ingelitolewa kabisa kwa sababu hawaoni msaada kutoka kwa Seneta. Kule wenzetu wanafanyiwa kazi nyingi sana na Seneta wao lakini Seneta wetu kwa usomi mwingi umemfanya mpaka kuonekana haonekani kabisa. Kwa hivyo, mimi nasema hotuba yake ya jana ilikuwa ni ya kijipendekeza kwamba mwaka wa 2013/2014 alitupatia bilioni tano na 2015/2016 akatupatia bilioni saba. Ni kujipendekeza lakini ukimuuliza zilikuja ki vipi...maana pesa kama unasema umezipeleka kwa akaunti ni uzifatiele.

Inasemekana ni shilingi bilioni saba na huku tunaambiwa pesa hazijaingia ilhali yeye anajitangaza kwamba pesa zimeingia. Sasa tushike lipi? Tushike pesa hazijaingia ama ni pesa zimeingia? Jana nilimuona ni mtu ambaye anajipendekeza lakini hana msaada kabisa kwa wananchi wa Kilifi. Kazi yake alikuwa anataka atuambie tu kwamba alipata mabarua kutoka kwa washikadau ili tujue kwamba naye pia anapelekewa mabarua na pia anapelekewa kesi.

Bw. Spika, Seneta wetu tulivyomsoma jana hapa, alikuwa amekuja kutufanya sisi sote ni kama ambaye hatuelewi na kwamba yeye ndiye anaelewa zaidi. Kwa hivyo, mimi naipinga kabisa na ningelimumbamba aje atuambie moja kwa moja atuelezee kwa sababu yeye pia achange mipangilio ya hapa Kilifi. Akiwa yeye anakaa Nairobi kwa kuangalia pesa za serikali ziingie Kilifi lakini hana mradi mwengine atakaofanya ni kama anaifanya Kilifi yetu izidi kurudi nyuma. Sasa Kilifi hii tumebaki ni sisi Wabunge na Gavana lakini yeye pamoja na wale Wabunge wote wa maeneo bunge yote hatuwaoni katika hizi sehemu halafu wao ni majukumu yote wanatuandikia sisi ya kwamba mradi huu umeharibika na nyinyi mlikuwa mchunguze; kamati yenu mbona haijafanya hivi? Sasa kila mtu anatubagua sisi na sisi ndio tuko huko chini na wananchi.

Hotuba ya Madzayo jana aliyozungumza Bw. Spika haikuturidhisha kabisa na tungalimumbamba kama anataka tufanya kazi aje kwanza aombe msamaha. Hawezi kutuambia sisi tumeshindwa kufanya majukumu yetu akiwa yeye jukumu lake hajalifanya. Kama miaka minne hajakanyaga hapa Bunge kuja kutupatia huo mwongozo wa Seneti, anataka sisi tuongozwe na nani? Tulikuwa tukae na nani katika hii Kaunti yetu? Kwa hivyo, mimi niko kinyume kabisa na hotuba yake ya jana aliyoitoa hapa na kwa mambo ya elimu akisema watoto hawafanyi vizuri, hivi sasa wananchi ndio wanafurahia. Maana kupitia mambo ya *bursary* watoto wetu wengi...hata hivi ninavyokwambia kuna kijana hapa aliyesomea digrii yake amemaliza Chuo Kikuu cha Nairobi amesomea mambo ya uhasibu; alikuja kunipa mkono na akanambia mama nakushukuru kama si wewe nisingemaliza mimi. Sasa yeye kama Seneta atuambie ni kipi alichokifanya? Hakuna! Halafu yeye anakuja hapa kutuambia *hon. Members, Mko...who is Mko?*

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

(Laughter)

Nilishangaa jana kwamba Jaji mzima anaita wabunge *Mkoi*. Sasa *mkoi* wake ni nani hapa? Bw. Spika, mimi siungi mkono kabisa hotuba aliyozungumza Seneta jana; ni kama kutufanya sisi hatujui chochote na sisi twajua maana hiyo miaka minne yote tumeongoza hili Bunge. Amekuja kuona mabadiliko hata yeye mwenyewe ameshangaa. Mimi nataka kushukuru Bunge la Kaunti kwa vile tulivyoshirikiana na tumefanya kazi kubwa mpaka tumejenga Chemba mpaka yeye mwenyewe alivyokuja jana alishikwa na haya na alikuwa yuatetemeka. Asante sana Bw. Spika kwa kunipa nafasi hii.

(Laughter)

Hon. Mramba: Thank you Mr. Speaker. I would first of all request your indulgence so that the speech of the hon. Senator be debated for at least three to four days so that every Member of this County Assembly can have a chance to add something to the speech of the hon. Senator. Again, let me request you Mr. Speaker that the HANSARD Report for today's proceedings is sent directly to the hon. Senator so that he knows what the Kilifi County Assembly says about his performance.

The hon. Senator came here yesterday and delivered a wonderful speech but it was hollow. There is nothing tangible that we grasped yesterday from the Senator. The Senate is there to protect devolution. Here we are and devolution is being defiled everyday by the Jubilee Government. We know very well that the Jubilee Government was against the passage of the 2010 Constitution. They are supposed to protect devolution and it is the same people who are against the Constitution. While he talks about corruption at the Kilifi County Government saying contractors are made to part with ten per cent, does he have that evidence? And if he has, can he please go to the EACC (Ethics and Anti Corruption Commission) to report these cases?

I can say that may be he wanted some jobs at Kilifi County; he did not get it now he is coming to the Assembly to say that there is grand corruption at the County level. What does he say about the National Government? A lot of money is being lost there while he keeps quiet. We have NYS (National Youth Service), we have Eurobond, the Galana-Kulalu project as of now has consumed over Ksh. 3 billion. The maize that was produced there out of the Ksh. 3 billion is only worth Ksh. 5 million yet our Senator; a respected leader, lawyer, (Rtd) judge is quiet.

He has decided to be very far from Kilifi County; we also wonder who he is representing at the Senate. I can say these are the last kicks of a dying horse because he has sensed defeat. He knows very well that elections are around the corner, assuming that elections will be in March, 2018 as per the Constitution of Kenya whereby MCA's (Members of County Assembly) are supposed to serve for five years. Even if it is two years from now, he knows very well he has lost touch with the people on the ground; the only remedy for him is to come to the County Assembly and say that the Assembly has not performed well in regards to its Committees.

Mr. Speaker, the Committees at the Assembly are very vibrant. We have the Labour Committee which is being lead by an able Member from Adu, we have the Budget Committee which is lead by the Member for Bamba, a career banker. We have the Committee on Implementation which is lead by the able Chair, the Member for Kakuyuni. By him coming to the Assembly and say we have failed, I can say those are words which lack merit. If I was a head

teacher and I was asked to assess his speech, I would give him a “D”. Mr. Speaker; I beg to say the Senators’ speech was not worthy his response. Thank you.

Hon. Hassan: Asante sana mheshimiwa Spika kwa kunipatia nafasi hii muhimu sana. Vile vile pia mimi nimesimama kutoa mchango wangu kulingana na hotuba ya *Mkoi* wetu. Kwa upande wangu nasema mbali na kutukejeli, Bw. Seneta, ametutusi. Watu wa wadi ya Matsangoni hawajatuma mtu mfisadi hapa. Walituma mwakilishi wakijua ni mchapa kazi; kazi anaifahamu na hivyo kwa kila wadi iliyowakilishwa hapa. Sisi watu wa Kaunti ya Kilifi sio wafisadi. Mfisadi wa kwanza bila ya kuogopa ni yeye Seneta aliyewacha majukumu yake sasa anatutupia sisi lawama.

Sheria za Bunge ziko wazi na kazi za wajumbe ziko wazi; mbali na kuwakilisha wananchi kuna kufanya uchunguzi mdogo na kuunda sheria za Kaunti. Wewe unawajua na ushawagundua wale wafisadi sasa kinachokuzuia kuwataja na kuwachukulia hatua za kinidhamu ni nini; hasa tukizingatia fani yako wewe ni wakili hata ulifikia kiwango cha Jaji?

Hujachukua hatua yoyote wala kutupa mwelekeo kwamba tuanzie wapi bali kilichobakia pale ni lawama na aibu juu yake. Bahati mbaya nikiingia hapa nilipata ule msafara wa Seneta akijaribu kuzungushwa katika maeneo yetu; mimi nikawa mmoja wao na kwake hilo lilikuwa jambo la aibu kwa sababu ikiwa mji umeuwacha ndani ya miaka minne, unategemea baba gani atauongoza ule mji.

Kwa heshima na upendo wa sisi viongozi wa Bunge la Kaunti pamoja na Gavana wetu, tumeweza kuithibithi ngalawa ama meli hii na inaendelea vyema bila ya misukosuko. Kwa uwezo wake Mungu naomba tuendeleo kushikana hivyo; abaki yeye na aibu zake kule aliko. Haiwezekani leo hii uje Kaunti ya Kilifi katika Bunge hili tukufu na uje kutueleza kwamba magari yanatumika vibaya, yanabeba mkaa na sijui vitu gani ilhali sisi hatujalionga hilo. Wewe kumbe umeliona; ni hatua gani kufikia sasa kama Seneta alizozichukua dhidhi ya Kaunti yako ya Kilifi? Mimi nasema huyu Bw. *Mkoi* alikuja hasa; samahani kuna neno la Kizungu linasema *incitement*; amekuja kutu *incite against our Governor* poleni kwa hilo.

Sisi hatutarudi nyuma tutaendelea kumuaibisha; hili dau litaenda na lishavuka bila ya yeye. Waswahili wakasema “cha kuvunda hakina ubani”, basi lile limevunda lile, na “mfa maji hawachi kutapatapa” huyu ameshakwenda tayari na maji. Mimi nashukuru kazi zetu nina imani na uhakika kwamba tunazifahamu. Leo ndugu *Mkoi* anakuja kutupa msemu hapa wa *Mr. Clay* kuhusu wale wafanyibiashara kwamba samahani naomba nisome vile ilivyo katika hii hotuba “they are now vomiting on your shoes without any shred of shame and or respect. My question to you hon. Members of this County Assembly is, are you satisfied with the way you are conducting your oversight role?” Hili swali lilikuwa ni lake yeye atujibu wala sio sisi.

Na mifano hii ilikuwa ni aanze kujipigia yeye maanake anajisuta yeye mwenyewe binafsi; alijivua nguo mwenyewe sio sisi. Yako mengi ya kutia uchungu na kuongea kuhusu hii hotuba naomba nikomee hapo na nipeane nafasi mwenzangu. Cha msingi ndugu *Mkoi* ni aje atuoembe msamaha katika Bunge hili.

Hon. Chai: Asante sana Mheshimiwa Spika kwa kunipatia nafasi. Nami nimesimama kuchangia hotuba ya *Mkoi* kama ilivyoandikwa. Sitakuwa na mengi ila tu kitu ambacho nilikuwa nafikiria ni kwamba hotuba hii ingekuwa hotuba nzuri sana 2014. Angekuja huo mwaka na kutoa hotuba kama hii, nafikiri ingetupa mwelekeo kidogo. Kwa sababu vile alivyotaja hapa kwamba kuna maofisaa ambao wako na magari makubwa makubwa na nyumba za kifahari, hajatueleza suluhisho; nafikiri *mko*i wetu alikuwa amekaa kando pale akiangalia watu hawa wakiendelea kujitengezea mapeni. Saa hii amekuja kutuambia tusimame kwa pamoja. Kizungu kilikuwa

kinasema hapa kuwa “we must name them and shame them in this County Assembly.” Sasa sijui ni akina nani hao.

Aliyeleta kejeli hizi ni yeye wakati anatwambia sisi tuwaseme; bado hapo nilikuwa na maswali. Nikiunga mkono mheshimiwa aliyekuwa anasema...

(Hon. Chai spoke off record)

Nilikuwa naunga mkono mheshimiwa aliyekuwa aje kutueleza vizuri kwani ameleta hapa mambo mengi sana. Kuna kizungu kingine hapo nikipitia nikaona, “I am afraid you are not doing enough.” Huo msemu angekuja kutueleza vya kutosha kwa sababu hivi sasa tukiambiwa hatufanyi vya kutosha sijui kama tutafanya vya kutosha katika huu mwaka baada ya kutuacha miaka mine na akija mwaka wa nne sasa anatuambia yale tuliyokuwa tukifanya hayajatosha.

Niko na uhakika hata kama ni mwalimu amekupatia kazi ya ziada kwa sababu hii alikuwa ametupatia kazi ya ziada ameenda miaka minne amerudi hapa na kutuambia bado hajatosheka na ile kazi ambayo tunaifanya. Kwa hivyo, mwaka huu wa nne ambao tunaenda kufanya mtihani mwaka ujao Seneta wetu amekuja kutuambia kwamba bado hatujafanya vya kutosha. Niko na uhakika kwamba hii shughuli ambayo alifanya jana angekuwa anaifanya kila mwaka kutueleza ni asilimia gani ambayo viongozi wamefika katika Bunge hili nafikiri tungekuwa tumefika mahali pazuri.

Pale mwisho atatusifia kwamba ametupangia siku tatu mahali tukasome ili tujue mambo ya *Public Finance Management* zile pesa zilizopotea wakati huu wote ambazo anazona yeye kule nyajani, saa hii ndio tunaenda kufundishwa hali ya kupanga mapeni baada ya kuwa pesa nyingi zimeenda. Sijui kama hizi siku tatu zitatusaidia lakini mimi nitashukuru kwa sababu ameshazipangia sitakosa *night out* pale. Kile kitu ambacho najaribu kuona ni kwamba katika siku tatu zile ambazo nitakuwa nimekaa, ni kitu gani ambacho nitatoka nacho pale nije nacho katika Bunge hili kumwambia mheshimiwa wa Bajeti hapa kumuuliza kama anakumbuka neno lile ulilofundishwa sasa liweke katika vitendo na tayari bajeti ishapangwa? Sasa twangoja bajeti ya mwisho kwa hivyo lile ambalo twaenda kufundishwa pale, mheshimiwa wa Bamba ambaye ni mwenyekiti wetu, ujuwe utalitumia mara ya mwisho.

Mimi nimefurahia yale aliyosema hapa, lile ambalo namhurumia na kuona kwamba anajaribu kulaumu mtu ambaye hujakuwa na yeye. Umemuacha pale ukirudi sasa unaanza kumlaumu, haujaweza kumfuatilia. Nikimalizia ni kwamba *mko* (Seneta) wetu angekuja sasa akapanga siku nyingine kabla hatujaenda kusoma aje hapa na atueleze hawa ambao tuwataje hapa kuwa aibisha ni kina nani? Kwa sababu ni vitu ambavyo amevifuatilia na nina uhakika kabisa anajua.

Na hawa watu ambao anasema kwamba huwa wanafanya kazi na hawako katika Kilifi Kaunti hii, kama vile nimesoma hapa kwamba ametumaniwa barua pepe ambazo amekuwa akizisoma. Sijajua ni kwa nini hakutuambia hapa katika zile barua pepe amekuwa akizipokea nilikuja mara moja...

(Hon. Kenga stood on a Point of Information)

Hon. Kenga: Thank you. Mr. Speaker. Are we in Order to request that we adjourn so that we invite him to come, so that as we debate he is present in the gallery?

The Speaker (Hon. Kahindi): Hon. Stanley Kenga you are asking something which I don't know whether it has precedence. We have three or four sessions thereabout to discuss this

speech and we might try to invite him because I think you want him to directly hear your sentiments but I doubt if it is going to be viable. However, it is an opportunity that can be explored. Yes hon. Emmanuel (Chai) can you just press the button and finalize.

Hon. Chai: Asante sana mheshimiwa Spika kwa kunipatia hii nafasi ya kuweza kumaliza. Bado tutaomba hiyo nafasi kama mheshimiwa vile ambavyo alikuwa anasema, itakuwa ni vizuri sana kwamba wakati ule tunaendelea tukiongea awe yuko hapa. Ili asiye akasema pengine mheshimiwa Emmanuel Chai alikuwa anaongea hivyo kwa sababu nilikuwa siko; nafikiri ingekuwa ni vizuri zaidi wakati tukiongea awe amekaa pale juu ili ajue vile sisi kama watoto wake “*Akoi*” tumesikitika kwa miaka hiyo tumemkosa yeye. Asante sana.

The Speaker (Hon. Kahindi): Thank you.

Hon. Matano: Asante mheshimiwa Spika, kwa nafasi hii nami nitoe mchango wangu kuhusiana na hutuba ya mheshimiwa Seneta. Nataka nimfahamishe mheshimiwa Seneta kwamba kuna ujumbe ambao aliongea akilenga haswa mambo ya vijana; akisema kwamba Serikali yetu ya kaunti na Bunge letu hatujafanya ya kutosha. Langu ni kumfahamisha kwamba hata kama hatujafanya ya kutosha kulingana na ufahamu wake, sisi tumejaribu na kujaribu kwetu mheshimiwa Spika, ni wiki mbili zilizopita, mheshimiwa Gavana alikuwa katika chuo cha ufundi pale Mkwajuni ikiwa ni wodi ya mheshimiwa Muhambi kwa kufuzu kwa vijana wa vyuo vya ufundi.

Mheshimiwa Spika, ni kwa heshima na busara ya Bunge hili pamoja na ushirikiano na serikali kuu kuna *Mbegu Fund* ambayo ni sheria imepita. Ni pesa ambayo imetengwa na Serikali ya Kaunti tunayoelekeza kwa wale vijana. Waheshimiwa wakishirikiana na Kamati za udhamini katika wodi zao, wengi wao wanapeana mafunzo kwa vijana wa boda boda kwa shule za udereva. Na leo hii mheshimiwa Spika, kuna wodi ambazo zilikuwa zimetengwa kushughulikia ajali za vijana hawa lakini leo nataka niseme kwamba ajali zimepungua na pia usalama barabarani umezingatiwa kwa sababu ya mipangilio ya serikali hii ya kaunti ambayo zimeshirikisha upande wa Gavana na upande wa Bunge.

Kuna pesa ambazo zimetengwa kulipa karo za wale wasiojiweza; hizo nazo zimetengwa na kaunti. Tunaposonga upande wa michezo, mimi mwenyewe nikiwa naibu mwenyekiti katika kamati ile ya michezo tumekuwa tukizunguka na nilifika Kambe Ribe kwa mheshimiwa Matsaki na niliona timu zote za vijana zimepata vifaa na wako na amani.

Pale Ruruma serikali ya kaunti imetengeza uwanja vijana wanaweza kuutumia. Magarini kwa mwenyekiti wangu kuna uwanja ambao unashughulikiwa. Ni jambo la kuvunja moyo ikiwa Seneta atabaki Nairobi miaka minne aingie ndani ya Bunge letu atulaumu. Ni ombi langu kama mheshimiwa Mramba alivyosema kwamba serikali ya Kaunti ikiongozwa na Gavana wa Kaunti hii tumefanya kadri ya uwezo wetu; tunaomba naye atuunge mkono, akiwa hataki anaweza kubaki angojee maana hatua iliyobaki ni ndefu sana. Asante mheshimiwa Spika.

The Speaker (Hon. Kahindi): Thank you.

Hon. (Ms.) Arafa: Thank you very much Mr. Speaker, Sir, for giving me this opportunity also to share my views on the Senator’s address to the Assembly yesterday. Before that I want to congratulate him and to thank him for taking his time after four years to address this House. I congratulate him because all he said in his speech is what we as a county government and the County Assembly have really focused on. There is one thing the hon. Senator said which really touched me and I want to repeat it, he said that, “what kind of a county are we leaving behind for our children and great grandchildren.” I want to remind the hon. Members that if we are not careful we shall end up being a laughing stock compared to other counties.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

The only question I want to ask the hon. Senator is; is he not one of the leaders in this county? If other counties are going to laugh at us, I think we are in the same boat. So if the hon. Senator thinks that the County Government is not doing well, he was elected in Kilifi County not the Senator for any other county and I think Mr. Speaker, Sir, instead of calling the Senator to come here and listen to the debate we are doing here, as a House we have to summon our Senator to come and explain to us all the problems he has emphasized in his speech and what is he doing to the hon. citizens of Kilifi County. If there is a lot of corruption, then he contributed a lot because he had all this information.

So I think Mr. Speaker, Sir, instead of inviting the Senator to come to the gallery, I think we have to summon him and he answers some of the issues which he referred to in his speech. He also emphasized that we need to work hard to come up with policies and legislations; I think we are still working on some of the legislations. We have 15 Bills which we are still working on and I think these are some of the Bills which have made hon. Members to work day and night because they came at one time. I think this House has passed more than 20 or 30 Bills; the Senator has to congratulate us.

In all these Legislations, I was really looking at our Senator supporting some of the work we have done as hon. Members in this House. He talked about issues of hunger and starvation in Kilifi County which since last week Kenyans and the World were talking about issues of hunger in Ganze and here he was talking about that. On issues about agriculture, we are facing climate changes that threatened millions of people suffering from hunger and starvation. Only recently it was reported that 1.6 million Kenyans are facing hunger and starvation. Indeed with resources, if utilized well our County will have plenty of food for economic purposes. The only question I wanted to ask our hon. Senator; Is he not aware of what is going on in Kilifi County currently that he can say if utilized our resources well, we can curb what is going on in Kilifi in terms of hunger?

Another thing, in terms of Bills and Legislation; if there is a Bill which really makes hon. Members in this House to run mad and work day and night, it was the Scholarship Bill, and he talked about education in Kilifi County. What did he contribute to make sure that we do not use a lot of time passing the Scholarship Bill to make sure that our kids and our students in Kilifi County go to school in good time and get what they need?

The hon. Senator talked about very interesting things; forestry and mining. These are some of the works of the National Government. Mining is not devolved; it is under the National Government and I am shocked to see the hon. Senator saying that we have to work well to make sure we come up with policies and legislation while mining is not devolved. Forestry is not fully devolved. I think some of the things that the hon. Senator has to sit and think more of what roles the County Governments are supposed to work do, which functions are devolved and which functions are not devolved because mining is not devolved since it is under the National Government.

Mr. Speaker, Sir, there is a lot to be discussed in the Senator's speech and I wish that every hon. Member should stand and contribute to this speech. Otherwise, the Senator will say that what he presented in this House is a blow to Members of the County Assembly. Let him know what he is talking about because we are almost finishing the term. So, if for now, you imagine if we could sit and wait for the three days so that we go through the Bills, and I also wish hon. Mlanda could be here when he contributed saying that as hon. Members we are not well articulated on issues of Bills, and Legislations. Can he ask himself how many Bills we have

passed in this House and they have gone through public participation and Members have really supported them?

I wish all Members in this House to contribute to this speech and make sure that the leaders are here and I hope that you capture all the interesting things this House is emphasizing on. A lot of people think that Members of this County Assembly are not doing even though we are politicians but we are also doing well in terms of oversight role and other activities. Thank you very much, Mr. Speaker, Sir.

(Applause)

Hon. Ibrahim: Asante sana Bw. Spika kwa kunipatia nafasi hii. Nimesimama kuunga mkono hotuba iliyoongewa na Seneta wetu. Ninaunga mkono kwa nini? Seneta amechukua mda mrefu kuja hapa katika Bunge hili kutoa hotuba yake. Kulikuwa kuna mambo fulani alikuwa anafwatilia katika Jimbo letu la Kilifi. Tusiwe tunaweza kumlaumu Seneta na unajua Bw. Spika, hotuba hii imeongelewa na Seneta wetu wa Jimbo letu la Kilifi. Ni jukumu letu sisi kwa sababu nikimnukuu “I urge you that you must provide oversight and demand that the projects do not become white elephants. We know those who are involved in corruption. We must name and shame them in this County Assembly we know them!!”

Bw. Spika, ni jukumu la Kamati husika; tufurahike kwamba Seneta wetu pia ni mmoja ambaye anajua wale ambao wanafanya ufisadi katika Jimbo letu la Kilifi. Tunakaa na kamati husika ile ya *Public Investment Committee* wakae na Seneta wachunguze. Bw. Seneta katika hotuba yake uliongea kadhaa, kadhaa na kadhaa, je ni akina nani? Seneta atawajibu awambie ni fulani na fulani.

Hii ni lazima tufurahie, ikiwa sasa tunaweza tukasema tunapinga hotuba hii, tunakashifu na ni ya Seneta wetu ujue kuna hatari moja. Seneta anaweza kuenda kwa wananchi na akatumia kipengele hiki na akaelezea kuhusu hotuba hii. Akawaeleza nilipeleka hotuba hii Bungeni na nikawaeleza waheshimiwa wachunguze watu na hao ndio hawakuchunguza. Jukumu lake limeisha. Ni jukumu letu sisi kukaa na kutafakari.

Bw. Spika, Seneta ameongea kitu kimoja ambacho anasikia uchungu nacho na ni kuhusu kiwanda cha korosho. Rais wa taifa letu la Kenya alienda akapeana pesa Mumias kiwanda cha sukari kikafunguliwa. Rais wa taifa letu la Kenya pia ameenda akatoa shilingi bilioni moja kushughulikia miraa na watu wa Meru wamefaidika. Seneta anaangalia mpangilio wa ni namna gani sisi kama watu wa Kilifi kiwanda chetu kinazidi kusambaratika na hakuna lolote linalofanyika? Ni jukumu letu sisi na Kamati yetu ya Ukulima kwamba mwenyekiti wa ukulima akae na watu wa Kilifi na Seneta ili achukue ni mfano gani ulitumiwa; yule rais Uhuru Kenyatta wakae naye. Lakini tukisema tunakuja kulaumiana, mjue Seneta alichaguliwa na wananchi na watakomregesha pale si sisi ni wananchi.

(Laughter)

Ukisema kwamba 2017 hutampatia kura, ni wewe hutampatia kura. Lakini je, yule mwananchi wa kawaida umeenda kumuuliza? Bw. Spika, majukumu yetu sasa hii hotuba ni

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

muhimu. Ni wakati mwafaka kwa sababu tumekuwa tukifuata wafisadi hatuwapati na kwa sababu Seneta amechukua mda mrefu kuchunguza amewapata tukae na yeye atwambie ni nani na nani; sisi tunaanza kukashifu. Asante sana Bw. Spika.

The Speaker (Hon. Kahindi): Hon. Ibrahim, you know I was waiting to hear what you are going to say and when I saw your notification here I skipped hon. Nzaka and I am very sorry for that because I needed to hear you. Now that I have heard you I am very happy and you can go.

(Laughter)

(Hon. Ibrahim withdrew from the chamber)

Yes, hon. Nzaka.

Hon. Nzaka: Thank you Mr. Speaker, Sir, for giving me this opportunity. Allow me to appreciate the Motion from the Leader of Majority which he has brought before the House.

Mr. Speaker, there is a proverb in Kiswahili which says “*ng’ombe akivunjika guu malishoni hujikokota hadi zizini ili apate usaidizi.*” The coming of our Senator is as if he came here so that he can strategize on his political ambitions. We have realized that there are some issues that as a Senator he has to deal with. It is as if our hon. Senator does not know what is happening in this great County. For example; “the government should recruit more ECD teachers.” We do not have mandate to recruit ECD (Early Childhood Development) teachers; we recruit ECD care givers and this case is pending in court. As a Senator, he should advice us how we can tackle this issue. There is the Senate ECD Bill, 2015 which he has to lobby with his fellow Senators so that the Bill can pass in the Assembly and assist all the ECD care givers across the entire Country and the larger Kenya. There are some functions which have been taken by the Kenyan Government and as the Senator, he has to push for them. For instance, the laptop programme. This is a function which has to be devolved. Laptops must be distributed to the Counties and this is the function for the Senators to lobby so that National Government can devolve this sector.

There are several sectors which are not devolved. As counties, sometimes we work without resources. There are some major issues in this county which are supposed to be tackled like revenue allocation. The local revenue we are collecting as per now is below target. At the time we were in the defunct local authorities, we were collecting a lot of money but now the revenue is below the standard.

There are some pending issues in the court for example the issue of Rain Drops. As the Senator, he has to join hands with us but not fight us. I want to urge my fellow hon. Member that the Senator has to come before this House and apologize before us. We are doing our oversight role as the Committee. In fact, the Committee for PIC and PAC is doing a very good job. Last time it brought a report for the financial year 2013/2014 which passed in this House. There are some officers at the Executive who misuse these funds because they took advantage that we were under the transition period, and those are the ones who are supposed to be punished.

He should take that report and take it to the Senate so that he can execute his oversight role as the Senator; coming here and saying that we have failed our oversight role as an Assembly, that is a no. Everybody in this House came because the people at his or her Ward had faith in him or her to deliver to this great County of Kilifi even those who were nominated by

their party. So, he has to come here and apologize before this House so that we can see the way forward. Thank you very much.

Hon. (Ms.) Sophie: Asante sana Bw. Spika. Nataka kuunga mkono hotuba hii na ninamshukuru sana Seneta hasa kufika katika Bunge hili letu. Ninataka kusema kwamba kazi ambazo tumepata katika Bunge ni zile za kusimamia, kutunga sheria na pia kuwakilisha wananchi. Nashukuru kwa sababu Seneta alitukumbusha kwamba tukiwa Bunge tujue kwamba katika Kaunti ya Kilifi tunaangaliwa. Mimi ninataka kusema kwamba sijaona ubaya na kama Wabunge wa Kilifi ni lazima tuungane. Haya ni mambo ambayo tumekumbushwa kama tuliochaguliwa ama kuteuliwa ya kwamba tuzingatie majukumu yetu. Kitu cha muhimu ni kwamba Seneta alifika mahali hapa na ikiwa tunaweza kukaa naye na tukajua ni wapi tumeenda kinyume ama hatuko sawa. Yeye ni kama baba yetu; ashakuwa na Gavana na mambo mengi ambayo nafikiri ile Kamati ya PIC and PAC ilikuwa imechunguza na kweli tuliona mambo ambayo yalikuwa ni mabaya yanafanywa na hawa maofisa. Ninashukuru kwamba Bunge hili linaendelea ndiposa amezungumza kwamba tusipoangalia tutajikuta mashakani. Langu ni kwamba tuwe pamoja. Mimi nikiwa mahali hapa ninasomesha watoto kumi ambao...

The Speaker (Hon. Kahindi): Yes hon. Teddy Mwambire, I can see you have a Point of Order.

Hon. Mwambire: Nimesimama kwa Hoja ya nidhamu Bw. Spika hususan kwa yale maswala ambayo mwenzangu anayazungumzia saa hii. Anasema kwamba Seneta alitoa hotuba nzuri na tunastahili kuiunga mkono maana alikuwa anatuelekeza. Kama kweli Seneta alikuwa anatuelekeza kikamilifu tungeanza na pale kwenye sura na hakuionyesha. Ninataka ujue kwamba lile jumba linalokaa mdogo wa Gavana linarekebisha... na juzi tulikuwa tukapitisha Ripoti ambayo ililetwa na ile kamati yetu ya uangalizi wa hesabu na yule ambaye anajenga ile nyumba na ililetwa kwa hesabu hapa Bungeni ni ndugu yake Gavana anaitwa Ramos Mwachira. Ni kwa nini hakuiandika hiyo Seneta kama alikuwa wazi mpaka tusherekee? Huyo ni ndugu yake Seneta kwa hivyo tusherekee bila kuangalia yalioandikwa. Aseme wazi na kama pengine ana ushirika katika ile hotuba, huyo mheshimiwa aeleze vizuri. Maana mimi niliona vibaya kudhalilishwa kama Bunge na kama Mwenyekiti wa Kamati inayosimamia kamati zote.

The Speaker (Hon. Kahindi): Hon. Teddy Mwambire for purposes of the record. You have mentioned the Governor and the Senator, which is which?

Hon. Mwambire: Nimetaja bwana anaitwa Ramos Mwachiro ambaye ana uhusiano na kampuni ambayo inafanyia marekebisho lile jumba linalokaa naibu wa Gavana. Juzi tukileta ile Ripoti ambayo tulipitisha ilikuwa inaonyesha tofauti ya hesabu ya marekebisho ya lile jumba ambalo liko pale. Kama Seneta alikuwa yuko wazi kulingana na mwenzangu anavyoeleza Bunge, angetoa ufafanuzi na akaeleza kinaga ubaga kwamba hata ndugu yake alipatiwa kazi kwa sababu alisema watu wa Mombasa. Pia alisema kwamba ile kampuni inatoka Mombasa na inatoka Kilifi. Kwa hivyo, hapo kuna maswala ambayo yanatakikana yatoke wazi wazi.

The Speaker (Hon. Kahindi): Okay, thank you hon. Teddy Mwambire. Yes hon. (Ms.) Sophie can you wind up. Press your button once again please.

Hon. (Ms.) Sophie: Mheshimiwa Spika naomba heshima kwa sababu hayo niliyoyazungumza mimi ni maoni yangu.

The Speaker (Hon. Kahindi): Proceed.

Hon. (Ms.) Sophie: Langu ni kwamba ikiwa sisi tuwatendaji kazi lazima kazi yetu ionekane na ninashukuru kwa sababu upande wa elimu... mimi nikiwa upande wa elimu kuna hizi shule za chekechea... misingi kweli ya elimu imekuwa ni duni lakini tumeanzisha na hiyo

Seneta aliigusia. Kulingana na hospitali pia tumeona hospitali zimeanza kuwa na vifaa ambavyo ni vizuri vya kutibu.

Mimi ninaomba tuwe na umoja. Huu si wakati wa kura; 2017 inakuja ndio tuanze kushambuliana. Mimi ningeomba tujue ya kwamba watu wetu wa Kilifi wanatuingalia kama tunafanya kazi vipi. Yeye alikuja na ninaamini kwamba alikuwa anatumkumbusha. Langu ni kwamba tuungane pamoja katika Bunge hili kuona ni kipi ambacho hakijafanyika na tufanye. Asante sana Bw. Spika.

Hon. Gambo: Asante sana Bw. Spika kwa kupata fursa hii ili nichangia katika hotuba ya Seneta wetu ambaye alitumbelea katika Bunge letu. Mimi ninataka kutoa pongezi kubwa kwa Seneta wetu kuweza kuchukua nafasi na kuja kutuona. Wahenga husema “chelewa ufike”. Kwa hivyo, hakuna sababu yoyote ile; labda hangefika mheshimiwa Seneta kuongea na sisi mpaka dakika ya mwisho basi tungekuwa na lawama kubwa zaidi. Ninataka kusema kwamba Seneta wetu hakuja kwa ubaya na ninaamini ni vile alisikia mwito na akaweza kufika. Nataka kumpongeza. Sisi kama Wabunge ninaamini kwamba ni lazima tuko na wale ambao wako juu yetu kutuingalia kazi yetu vile tunavyoifanya. Basi kadri tunavyomwalingalia yeye, sisi pia tunakumbushwa ni lazima tuweze kuunga mkono na kusifu ya kwamba kunayo ambayo hatungeyajua kama Bw. Seneta hangeweza kutufikia.

Kwa hivyo, Bw. Spika, nataka kuuliza waheshimiwa kuwa aliyoyazungumza Bw. Seneta tuweze kuyachukulia kwa uzito na lililobaki ambalo linawezekana kutendeka ni lile ambalo lilikoseka; tuweze kurekebisha na hata katika hotuba yake zile siku tatu ambazo labda atatufikia, siku zile ambazo tunamuhitaji aweze kuja kujibu maswali haya yatatuwezesha kusonga mbele katika maendeleo ya serikali yetu ya Kaunti ya Kilifi. Asante Bw. Spika. Naunga mkono hotuba ya Seneta.

Hon. (Dr.) Chitibwi: Thank you hon. Speaker for giving me the opportunity to contribute. I support the coming of the Senator to this Assembly. We are aware that he took a long time. We may not have heard what we expected here but at the end of the day, if you have a prodigal son or daughter and that child eventually comes home, you should say thank you. What that child has done outside, you should be asking him or her to correct him or herself.

We know there is a lot that we required our Senator to do and we know as a human being, he has his own faults but this Assembly in fact can reverse the roles. We can guide and advise the Senator. There is a suggestion that we ask him to come back. I support that suggestion because it will give us a good opportunity to interact properly. If he can accept, let us invite him to a gathering outside whereby we can interact and ask questions then he answers. What will happen is that, it will enrich both of us.

We cannot say that there is nothing that can be added to our lives. I am not supporting him for having been away for a long time; I would have wished that he came here earlier but there is little time that we have in this Assembly as well as for him in the Senate. If we can come together again I am sure we can leave with something that is going to help him in the Senate to help the County Assembly. We are aware that there is a lot more that he can do. Like now that our budget estimates have gone there, we expect him to lobby for us because he is nearer and those are the kinds of things he does. I would also like to say that the manner that some of the issues in this speech that are presented may not be very good but if you look at it properly, there is something that I can learn and everybody here can learn. I wish to take it in that respect and let us not to go to the state of making it a campaign strategy. If he is good, he is not good... I am also bad in my own way but when the time gets there I will just follow the votes and everybody will have to decide.

Disclaimer: *The electronic version of the Official Hansard Report is for information purposes only. A certified version of this Report can be obtained from the Hansard Editor.*

I would only want to ask and I may make a statement which may be wrong; I am aware that he wanted to come sometimes back but there was something going on in this Assembly and he mentioned that I would like to come but I am told people have revamped themselves to boo and shut me out. Whether it was true or not, I do not know. So, let nobody ask that I substantiate. The only thing that I want to say is at this rate we have twelve months or eighteen months to the elections and there is still a lot that we as an Assembly can do. What happens in 2017 or 2018 as to whether we shall have won or not that is another matter but let us have another opportunity to interact with him. I support the speech and I request that we sieve it, and take what is good from this speech, and what is not good, we leave. Thank you very much hon. Speaker.

Hon. (Ms.) Nashee: Asante mheshimiwa Spika kwa kunipatia nafasi hii na umenipa wakati mzuri. Nimekuomba kuanzia mama Elina hajaongea lakini umeniacha mwisho na nimefurahikia zaidi kwa sababu sheria yetu ya Kiislamu inasema kila lile litakalokuwa kwako ndio heri kwako. Mimi nimekubali hii ndio heri yangu maanake waheshimiwa walikuwa na hasira; nimeshukuru umenipa nafasi hii saa hii kidogo presha yao imeshuka maanake yale machungu yao yote wameyatoa.

Mimi nampa pongezi Seneta wetu; nikimpenda au nikimkataa huyo ndiye wangu. Nasema hivi, “*Mgala muue lakini hakiye umpe.*” Kusema kweli twafaa tumshukuru Seneta. La kwanza, yeye hupigania sana Kilifi Kaunti kukaletwa pesa nyingi. Mimi nimekutana na Seneta kadhaa wakasema kweli kule Bunge, Seneta hukazana sana akatafuta na marafiki wamsaidie pesa zije nyingi kwa sababu Wabunge wa Kilifi Kaunti ni wengi na pesa pia zije nyingi kwa sababu Kaunti yetu ni kubwa. Msione hivyo pia yeye hupiga piga kampeni kule ndani kama vile sisi hapa ukitaka Mswada wako upite na yeye pia hufanya hivyo; hilo kwanza tulifahamu.

La pili, hata kama ni msomi, yeye pia ni binadamu na hakuna binadamu mkamilifu na yeye ni wetu. Kama ana makosa na hizo siku tatu amesema tutakuwa na yeye, mimi naomba haya mambo yetu ya kilimo na ya elimu, mahali tunaona yanakoseka tuseme. Kama vile nyinyi saa hii presha yenu imeshuka na Seneta angeliingia hili Bunge 2014, 2015, labda Kilifi Kaunti ingekuwa hakuna serikali. Mimi najua zile fujo ambazo tulikuwa nazo hapa Bunge. Tumefanya Bunge, kule manispaa tulitaka kutoa sijui nani, angekuwa na yeye ametumia sheria yake aje aseme ukweli hapa...kuna wengine tungekuwa hatuko kazini. Pengine tungekuwa hili Bunge wangekuja watu wapya hapa ndani; wacha tuambiane ukweli.

Yule mzee amefanya vizuri kuja hii dakika ya mwisho na kama ni tuvurugane, tuvurugane kwa sababu kampeni iko tayari. Hapa mko kama watoto, mnaimba nyimbo moja. Jamani tueleweni kuwa hii ni siasa. Saa hii yule mzee amesema ukweli; kama nikuvurugika kila mtu saa hii atabeba msalaba wake kule nje. Sasa, ndio na yeye amekuja kusema ukweli maana pia yeye alikuwa yuaogopa kusema; na hiyo shida tuache. Tukichagua Seneta, tuchague wa kusema ukweli...

(Hon. Nzaka stood on a Point of Information)

Hon. Nzaka: Bw. Spika, nashukuru kwa kunipatia nafasi hii. Nasimama kwa kipengele cha nidhamu. Bunge hili halina watoto. Sisi ambao tuko hapa, tuko na akili zetu timamu na ni watu wazima. Ningeomba afafanue zaidi.

Hon. (Ms.) Nashee: Asante mheshimiwa Spika. Sikusema kuwa eti kuna watoto; nimesema tuwe na akili za kiutu uzima tukizungumza. Kama umenielewa vibaya, natoa hilo neno. Mimi nasema hivi; tumuungeni mkono na naomba hizo siku tatu mheshimiwa Spika, zije kwa haraka na mahali huyu mzee Seneta wetu ana makosa tukarekebishe. Mimi pia naona

nimefurahi kwa kuwa ametutembelea maanake hata kuna Bunge lingine kwa mfano Nairobi ambako Seneta alipotembelea si walipigana na Gavana wake? Kwani ni nini?

(Laughter)

Sasa, na yeye angekuja mapema hapa mimi nawaambia, Kaunti ya Kilifi ingekuwa hakuna serikali. Wacha achelewe, aje hizi dakika za mwisho. Mimi naomba hizo siku tatu Bw. Spika, zije kwa haraka na yale yamekoseka tuelewane naye lakini haya mambo yenu pia ya kusema tuchagueni kwa sababu ya upepo fulani ndio shida zingine zaja kama hizi; mwaheshimiana heshimiana. Chagua mtu ambaye unajua atakuja kukuzungumzia mambo yako na tutafanya kazi bila kuogopa. Ni kama Seneta kuna mambo mengine yuaogopa. Hizo siku tatu tutamuuliza “wewe waogopa nini?” Mimi namuunga mkono na nafurahia sana maanake hili Bunge bila kuingia Seneta lingekuwa sio Bunge.

The Speaker (Hon. Kahindi): Hon. Members, I just want to clarify something; that the letter that is in my office from the Senator is not a letter to meet the Senator. He talked to the Controller of Budget for the Members of the County Assembly of Kilifi to be trained on issues of Financial Management. He will not be there from the letter that is on my table.

I have heard Members saying that we are going to meet with the Senator for three day; we are not going to meet him, and he simply talked to the Controller of Budget for the Members of the County Assembly of Kilifi to be trained on issue of Financial Management and Budget making process. I want us to get that very clearly.

Yes hon. Hamza, there are some Members who had made requests. I think there were some interruptions and I have lost everybody; so if you had made a request to talk please press your button once again. Hon. Kombo, you had made a request but it has disappeared so do that again please.

Hon. Hamza: Thank you Mr. Speaker. I rise to add my voice in a nut shell regarding the speech by Senator Madzayo. Yesterday, I was one of the Members who were happy to see the face of the Senator because I had almost forgotten that one Senator called Madzayo exists. On the issues which were raised especially on his speech there are so many observations that I have made and the efforts of the Governor that he also mentioned; to some extent to be very categorical that they were rhetoric.

As for me and my understanding of the very simple English term, some of these things get back to him. Since we were elected up to now, we only have almost a year to go back to the general election. There are some questions which were asked in the speech if I have not forgotten. There were even questions of whether we as the County Assembly Members of Kilifi are satisfied with the role that we have played with regards to the mandate vested on us. These questions go back squarely to the Senator because he should be the one to answer these questions. This is what I may term to be rhetoric because these are some of the questions that he should answer.

We need a lot of involvement in this House. There are issues that we need as a county. We need the leadership to be one and come together but we have never seen the Senator come and sit with us and deliberate on various matters. Therefore, for me, that speech and probably to windup because I said I will not take long, whatever observations which were made by the Senator with regards to the speech is too little too late.

Hon. Kombo: Asante Bw. Spika kwa kunipa nafasi ya kuchangia hotuba ya Seneta wetu mheshimiwa Madzayo. Kusema kweli kama mheshimiwa Nashee alivyozungumza kwamba

“*Mgala muue lakini hakiye umpe*” Seneta kusema kweli ana majukumu yake tofauti na majukumu ya Bunge hili. Katika hotuba yake niliona wazi alizungumzia majukumu yake kwanza halafu baadaye akapinduka na kutukumbusha majukumu yetu na utendaji kazi wetu, na kulingana na hali hiyo hapo tumekosa kupaweka sawa. Katika mtazamo wangu, Seneta alifanya lile ambalo wengi tulitazamia. Waswahili walisema “*chelewa lakini ufike*” na amefika wakati mzuri ambapo katika hali ya utendaji kazi wetu kuna changamoto kama zile alizozitungumzia; changamoto za ufisadi na changamoto katika sekta tofauti za Elimu na Kilimo.

Alizungumzia mpaka mambo ya kiwanda cha Kilifi na sioni kama kuna kiongozi mwingine ambaye amekuja na kutuzungumzia mambo kulingana na vile alivyozungumza. Kwake yeye kuja hapa ni sawa; hili ni Bunge ambalo linamhusu na kaunti yetu ya Kilifi ni kaunti ambayo inamuhusu. Mimi ningewasihi wenzangu kwamba tuwache kuwa na mtazamo wa kinyume bali lile zuri ambalo ameligusia tuweze kulitazama kwa uzuri wake.

Nataka nitoe mfano wa vile alivyozungumzia kuhusu mambo ya ufisadi. Tukiangalia Seneta wetu yeye amefanya kazi maana yeye ni wakili na alikuwa Jaji. Naona tungetumia nafasi hiyo ya kumhusisha pakubwa kwani ana ufahamu wa mambo ambayo hayaendelei kisawa. Kwa hivyo, badala ya kuwa tumkashifu na hata tuseme aje hapa tumuulize maswali ingekuwa jambo la busara kwa waheshimiwa kuwa tukae chini naye atuelezee yale ambayo hakuelezea katika hotuba hii ili tupate mwelekeo kulingana na yale aliyoyagusia. Mimi nampa heshima Seneta wetu na kulingana na ukakamavu wake ama vile alivyozungumza kwamba anafanya kazi na kutuletea mema katika Kaunti yetu, hapo sioni kama nina la kukashifu. Wakati tutajipa nafasi ya kukaa naye, yale yote ambayo tuko nayo katika mioyo yetu na fikira zetu tuweze kumuuliza ili atupe mwangaza zaidi.

Hon. (Ms.) Muthoka: Asante mheshimiwa Spika kwa kunipa nafasi hii. Pia mimi nasimama kuunga mkono hotuba ya Seneta wetu aliyoitoa jana katika Bunge hili. Kwa nini? Kwa sababu hiyo hotuba haijabeba mabaya yote; kuna mazuri ambayo yako katika hotuba hiyo na yale mazuri nikiangalia ni mengi. Seneta alipokuja hapa jana alikuja kutukumbusha na tumesema alichelewa lakini kama angekuja mwaka wa kwanza angekuja kutuambia nini?

Seneta amekuja kwa wakati mzuri kulingana na maoni yangu. Kazi ya Seneta tunajua na kazi zetu kama wajumbe wa Bunge la Kilifi Kaunti twazijua. Seneta anafanya kazi nzuri sana maana Kilifi tunapata mgao mkubwa na mgao huo anaposukuma katika Bunge la Seneti ukifika huku, ni kazi yetu sisi sasa, huwa hawezi fatilia ile pesa tena ikifika kwa Serikali ya Kaunti kwani hiyo sio kazi yake. Ni kazi yetu sisi kama wajumbe wa Kaunti ya Kilifi kufanya mtazamo na tujue pesa zile zimetumika namna gani. Kwa hivyo, tukisema yeye ameanguka hapo tunafanya makosa maana hiyo sio kazi yake. Amekuja kutukumbusha kwamba hiyo ni kazi yetu ya kutathmini pesa zile zimetumika namna gani.

Seneta alipogusia mambo ya ufisadi; ni kweli Bw. Spika kumekuwa na malalamishi mengi sana kwamba kuna mambo hayaendi vizuri katika serikali yetu ya Kilifi. Nikinukuu mwanzo kabisa, Bunge hili tulikuwa tukizungumzia kuhusu mambo ya ununuaji wa nyumba ya Gavana; tena katika Bunge hili tukawa na maswala na kukaletwa Hoja ambapo sifahamu ni mheshimiwa yupi aliyeleta kuhusu utumiaji wa magari ya Kaunti ya Kilifi. Na tukajadili na kusema magari yanatumika vibaya kwani yanaegeshwa katika maeneo ya burudani usiku; tukachangia vilivyo Hoja hiyo hapa. Tukisema leo hii sisi hatujaona na tulileta Hoja katika Bunge hili, hiyo tunasema nini?

Nataka niseme kuna mambo hapa; Seneta alizungumzia kuhusu jinsi mwana kandarasi anapewa kazi katika Kaunti yetu ya Kilifi. Akasema kumekuwa na malalamishi kwamba kazi hizo zinapatiwa watu wa kutoka nje ya Kilifi Kaunti ambapo wanapofanya kazi zile pesa

wakilipwa hazitumiki katika Kaunti ya Kilifi. Anatusukuma ili tuweze kupendekeza watu wetu wapewe hizo kazi ili zile pesa zizunguke katika kaunti yetu; sioni ubaya na hayo. Seneta alileta hotuba yake nzuri na hotuba hiyo kama tungeipokea vizuri na tukakaa tuichambue naona ingetupeleka mahali.

Tunasema ni mwaka mmoja umebaki, ni kweli, lakini huu mwaka mmoja tunaweza kuleta mabadiliko makubwa kulingana na mazungumzo ambayo yamezungumziwa hapa. Sijasema ni yote mazuri lakini mengi yao nimesema ni mazuri. Naunga mkono hotuba ya Seneta maanake yeye anafanya kazi yake na sisi tufanye kazi yetu kama Wabunge wa Kilifi Kaunti. Kama ni wafisadi ni vile tu hakuandamanisha na majina yao lakini tunajua ufusadi uko na tunajua hata wengine wamefungiwa akaunti zao kulingana na fununu zile tunasikia kwa sababu ya ufisadi. Kuna maafisaa wengine walikuwa wameharibu hata wakasimamishwa kazi hata wamerudishwa juzi. Tunajua kuna vitu vingi haviendi vizuri kwa hivyo mimi naomba tu...

The Speaker (Hon. Kahindi): There is an intervention from hon. Hamza.

Hon. Hamza: Point of Order, Mr. Speaker, Sir. We would like to know whether this House is privileged to discuss issues of rumours as said by the Member who is on the Floor.

The Speaker (Hon. Kahindi): Certainly not. I mean the House cannot deliberate on rumours.

Hon. Hamza: Therefore she has to withdraw.

The Speaker (Hon. Kahindi): Yes hon. (Ms.) Muthoka we do not want to proceed on the basis of rumours if you are talking about rumours.

Hon. (Ms.) Muthoka: Asante mheshimiwa Spika. Ninasema tu kwa sababu nimechemka kidogo.

The Speaker (Hon. Kahindi): Okay, proceed.

Hon. (Ms.) Muthoka: Lakini nataka niseme hivi; tunajua ufisadi uko. La kushangaza ni kwamba hata kulingana na yale yametajwa, kuna wakati tuling'ang'ana hapa mpaka koo zikakauka kwa sababu nyumba tu ya Gavana imenunuliwa...

(Hon. Mwambire stood on a Point of Order)

The Speaker (Hon. Kahindi): Yes hon. Teddy Mwambire, you have a Point of Order?

Hon. Mwambire: Mr. Speaker is it in order for a Member to claim that there is corruption and yet we have provisions in this Assembly? As a hon. Member, we have never seen her presenting any Statement or a Motion or anything to justify that or to make an inquiry since she was sworn in as a Member of a County Assembly. Does it mean maybe she is not playing her oversight role well; according to me, as a hon. Member, I have been using all the privileges including in the committees?

All the issues that she is sharing here are issues that were well handled by this Assembly and even a resolution was made and action has been taken following resolutions. Can she maybe give other indications of corruption which she knows this House can follow or bring anything in this House for the Committees to follow or herself to get clarity? She should not bring issues which were resolved over two years ago, Mr. Speaker.

The Speaker (Hon. Kahindi): Hon. (Ms.) Muthoka, press your button again so that I can accept you. Yes thank you.

Hon. (Ms.) Muthoka: Asante mheshimiwa Spika. Nazungumza kwamba ufisadi upo sababu hata hapa katika Bunge hili tulishajadili Ripoti; tuliunda kamati ya dharura sababu tumchunguze CS (County Secretary) na hiyo ni moja wapo ya kuonyesha mambo yalikuwa

hayaendi vizuri. Kwa hivyo, nasema hata huko katika serikali kuu, kwa sababu si tunaona kesi, wengine walitolewa kwa maafisi kwa sababu ya ufisadi na sasa tukisema ufisadi hauko...

The Speaker (Hon. Kahindi): Yes hon. Nzaka, you have a Point of Order?

(Hon. Nzaka stood on a Point of Order)

Hon. Nzaka: Yes. Thank you Mr. Speaker, Sir. The Member who is on the Floor has to apologize before this House. We are not working under allegations here; she has to provide documentary evidence showing that so and so is corrupt.

The Speaker (Hon. Kahindi): In as much as I am trying to protect you hon. (Ms.) Muthoka but if you allege, he/she who alleges must prove and I want us to be guided that yes in as much as it is available outside there but inside here if you allege it, you must prove it.

Hon. (Ms.) Muthoka: Asante mheshimiwa Spika...

The Speaker (Hon. Kahindi): ... and I want you to be the last person to talk because this debate still continues for another two days.

Hon. (Ms.) Muthoka: Asante Mheshimiwa Spika. Nashukuru. Nataka tu niseme hivi. Mimi naunga mkono Ripoti hii nikisema kwamba Seneta ameileta kwa wakati mzuri na ni sisi waheshimiwa tufanye kazi yetu na tuwache kulaumu Seneta tukisema hakufanya kazi yake. Asante mheshimiwa Spika.

ADJOURNMENT
