WHETHER, the County Executive Committee Member in charge of Devolution, Disaster and Public Service Management is aware that Mariakani sub-county unit office has no toilets for some years now making the working environment not conducive for the staff.

If yes, what measures is the County Executive Committee member in charge of Devolution, Disaster and Public Service Management taking to ensure that the said sub-county offices have toilets for use.

It was signed by hon. Alphonse Mwayaa, Kayafungo ward on 13th and this is the Response.

It is addressed to the Clerk County Assembly through the County Secretary County Government of Kilifi. Reference; Toilets at the sub-county offices in Mariakani.

This is in reference to your letter dated 2nd December, 2019 CAK/DPT/DEVO/VOL.7.28. The Department has allocated one million for construction of the said project in the financial year 2019-2020, awaiting for the approval and uploading of the supplementary budget.
