**STATEMENT**

**NON-OPERATIONAL HIGH MAST LIGHTING AT MTONDIA, TEZO WARD**

**Hon. Mumba:** Thank you Mr. Speaker. I am glad to have the opportunity to seek a Statement from the Department of Lands, Housing and Physical Planning through the Committee. It is on the Mtondia high mast lighting:-

Whether, the County Executive Committee Member (CECM) in charge of Lands, Housing and Physical Planning is aware that Mtondia high mast lighting, a project budgeted for in the financial year 2017/2018 and implemented in the same financial year, has not been in operation since its completion reason being no metre was fixed to the high mast lighting.

Whether he is also aware that the same contractor has been awarded another similar contract for the financial year 2019/2020.

If yes, which criteria were used by the Procurement Department to award a contract to a contractor who failed to deliver initially?

What measures is the CEC putting in place to ensure that the project is completed for the benefits of the people of Tezo? Thank you, Mr. Speaker.
