In processing the document, the Committee held meetings from 21st January to 10th February 2016 at Mnarani Club in Kilifi and within the precincts of the County Assembly where previous views of both Members and other stakeholders were not interfered with even after undertaking extensive deliberations and analysis.

The Committee invited the Department for Finance and Economic Planning, Roads, Transport and Public Works including the Department of Education, Youths Affairs and Sports for consultation. The Committee went further urging the Departmental heads to put their views in writing clarifying and specifying on the projects which appeared in the document to be too general though given huge allocations. The departmental heads reciprocated though the facts represented were not convincing.

Mr. Speaker, Sir, the Committee is thankful to the office of the Speaker, and the Clerk of County Assembly for the logistical and the technical support accorded to it during the sittings. The Committee wishes to thank all the consultants and the (Chief Executive Committee) CEC Member for Finance, (Chief Executive Committee) CEC Member for Public works and services for the participation in scrutinizing the Budget Estimates.

Finally, I wish to express my appreciation to the hon. Members of the Committee who sacrificed their time to participate in the activities of the Committee and preparation of this Report.

Mr. Speaker, Sir, it is therefore my pleasant duty and privilege, on behalf of the Budget and Appropriations Committee, to table in the House for consideration this report of the Kilifi County Supplementary Budget 2015/2016 for adoption pursuant to Standing Order 188 (3), (a) and (b).
