**MOTION****HON. ANTHONY NZAKA- COUNTY EXECUTIVE IN CHARGE OF HEALTH**

Aware that health is a devolved service of the county governments as per the fourth schedule of the constitution of Kenya 2010. Taking into account that girls are faced with numerous challenges even as they pursue education i.e discharging house hold duties, menstruation, early pregnancies amongst others. Appreciating that Kilifi County Government encourages empowerment of the girl child through education as well as appreciating the economic and social rights of every individual enshrined in the constitution. This Honorable Assembly urges the County Executive Member in charge of Health Services to come up with a legal framework and policy for provision of sanitary towels to all school girls in the primary and secondary public institutions of learning within Kilifi County.
