Aware that electricity plays a very critical role in the development of our County. Further aware that through the rural electrification programme, Electricity has reached almost all villages in Kilifi County. Aware that, recently Mijomboni, Ganda, and Kakuyuni trading centers had cases of Electricity problems where lives were lost and property of unknown value destroyed.

This County Assembly urges the County Executive Member in charge of Lands, Physical Planning and Energy to urgently initiate thorough investigations to get the root causes of these power problems.
