6. **Notices of Motion** – Hon. Arafa Salim Baya-Department of water

Aware that, most parts of Kilifi County are Arid and Semi arid areas. Aware that, there is urgent need for a policy on water harvesting and storage in Kilifi County.

Further aware, that with the rapid population growth the water needed for agriculture, domestic use, industrialization and recreational use may not be sustainable if water will not be harvested, managed and conserved.

This Assembly urges the County Executive in charge of Water, Forestry, Environment and Natural Resources to ensure that a policy on Water

Harvesting, Storage and Equitable distribution is in place for the benefit of all residents of Kilifi County and future generations right to water.
