The Temporary Speaker (Hon. (Ms.) Maneno): Yes hon. Baya.

Hon. Baya: I stand to be guided; on the 6th of December, 2017, I raised a Statement concerning garbage collection in Watamu but until now nothing has been done. The people of Watamu are in danger. The garbage in that town has not been collected for the last three months; I fear for a cholera outbreak.

The Temporary Speaker (Hon. (Ms.) Maneno): Thank you. Hon. Members. I therefore direct the Chairperson for Agriculture, Livestock and Fisheries to Table the response within 14 days. Is the Chairperson within this House? I also direct the second Statement from hon. Kenga to the Chairperson for Pre-Primary Education and Vocational Training to Table a response within 14 days in this House. Is the Chairperson present? What of the vice Chairperson?

To respond on hon. Baya concerns, the Statement was laid before the House on Wednesday, 6th December, 2017. From practice, the Chairperson of Committee on Water, Environment, Natural Resources and Waste Management should have gotten the response in 14 days. If there are challenges, the Chairperson should notify the House so that the House can follow up on the matter. I now further direct the Chairperson to report back to the House on Wednesday, 21st February, 2018. Thank you.

ADJOURNMENT

This House stands adjourned until tomorrow.

The House rose at 3:06 p.m.
