**Hon. Chengo:** Thank you. I rise to seek a Statement from the County Executive Committee Member (CECM) in charge of the Department of Water, Environment, Forestry, Natural resources and Solid Waste Department;

Whether the CECM in charge of the Department of Water, Environment, Forestry, Natural resources and Solid waste Management is aware that Tsangalaweni-Malomani-Dungicha-Vimbirini water pipe lines have been dry for over three years now and the only source of water supply is in form of water boozers from the County Government which is insufficient and very expensive to the residents?

If yes, what measures is the CECM taking to solve the problem?
