PAPER

THE SECOND QUARTER REPORT FOR THE FINANCIAL YEAR 2020/2021
FOR THE DEPARTMENT OF TRADE, TOURISM AND COOPERATIVE DEVELOPMENT

The Deputy Speaker (Hon. Kenga): The Office of the Leader of Majority or Deputy Leader of Majority?

(Hon. Peru stood in his place)

There is an intervention from hon. Peru.

Hon. Peru: Thank you Mr. Speaker for this opportunity. As I was listening to your statement on the nominee for the position of Member of the County Public Service Board, I understand it is a replacement of one Member who had passed on from Kilifi North Sub-County so having a nominee from Malindi Sub-County is going to destabilize the rationale that was there from the word go. So, I am standing here to halt the process. Thank you, Mr. Speaker.

The Deputy Speaker (Hon. Kenga): Thank you very much hon. Member. I would wish to state that what you are supposed to do is comply with the provisions of law. Once the same has been done, I believe they will do an advert for members of the public who may have issues with the said nominee who can be able to forward their issues of concern so that they are addressed by the Committee as they compile their Report. So, if there are any issues they will be addressed by the Committee and in their Report, they will have to submit to the Floor of the County Assembly. Thank you.

Yes Leader of Majority? Hon. Kadenge Dadu you have an intervention?

Hon. Kadenge: Just to inform the hon. Member for Sokoni Ward that the late Mohamed is from Malindi especially Malindi Town. He was not from Kilifi South. Thank you.

The Deputy Speaker (Hon. Kenga): There is still an intervention from hon. Peru. I will allow you to proceed with your intervention but I would wish to say those issues you are raising will be best handled by the Committee when they are doing their Report.

Hon. Peru: Thank you Mr. Speaker. I want to let my brother here hon. Kadenge know that actually the late nominee in the County Public Service Board was my neighbour. So, for him to stand in front of the House and say he comes from Malindi Sub-County, I do not think he has his facts right. First, he was a teacher at Ama that is in Kibarani while residing in Sokoni Ward. So he was appointed as a Member to sit on behalf Kilifi North Sub-County. So, my friend, get your facts right.

Hon. Kadenge: I think my brother from Sokoni...

The Deputy Speaker (Hon. Kenga): That will be settled at the Committee stage; please let us proceed. The Deputy Leader of Majority.

Hon. Ndago: Thank you Mr. Speaker. Before I lay the Report on the Table of this House just on a light note, it is so unfortunate that some of us just come and sign and go away. Just to let you know hon. Members that you should not be in a hurry to go out; we will be out in a few years and you will wish to be in this House to represent the people of Kilifi so kindly take note.

Mr. Speaker, Sir, beg to lay the following Report on the Table: - The Second Quarter Report for the financial year 2020/2021 from the Department of Trade, Tourism and Cooperative Development. Thank you.

(Hon. Ndago laid the Report on the Table)

The Deputy Speaker (Hon. Kenga): Thank you very much. I wish to commit the same to the Committee on Trade, Tourism and Cooperative Development to consider the same as per the provisions of the Standing Orders.
