PRAYERS

POINT OF ORDER

UNFAVOURABLE ENVIRONMENT IN THE CHAMBER

The Deputy Speaker (Hon. Kenga): Kindly pass the microphone to the Member.

Hon. (Ms.) Messo: Mr. Speaker, we cannot continue with the Business of the House because over here we are really suffering. So I think if they cannot repair the AC (Air condition), we should change the dressing code on this side so that we just come with sleeveless clothes if it is possible.

The Deputy Speaker (Hon. Kenga): Thank you. I think it is a valid concern that should be taken seriously so that Members can be comfortable to transact Business. Just the other day the Member, hon. Mwarandu, talked of “*kuumia*” just because of the dressing code. So, if we change “*tumeumia zaidi*” that will not be in the best interest of us all. So please, I request that those concerned take up the matter seriously so that we are able to transact Business very comfortably and maintain our dress code as Members of the County Assembly. Hon. Mwarandu.

Hon. Mwarandu: Thank you very much Mr. Speaker for this opportunity. We are saying that a promise is a debt. Mr. Speaker, in our first Session, you promised to rule on a matter that was in this House and I do not think if you are escaping that. So Mr. Speaker what is the way forward...

STATEMENT

STALLED MWABAYANYUNDO YOUTH VOCATIONAL TRAINING CENTRE ELECTRICAL WORKSHOP

Hon. Mwayaa: Thank you Mr. Speaker. I have a Statement as a Member of Kayafungo Ward and this Statement is directed to the County Executive Committee Member (CECM) in charge of Education and ICT through the Chairperson, Education Committee on Mwabayanyundo Youth Vocational Training Centre Electrical Workshop:-

Whether the CECM in charge of Education and ICT is aware that an electrical workshop, a project that was budgeted for and tendered at a contract sum of Kshs 6, 537,116 million in the financial year 2018/ 2019 is stalled.

If yes, one; who is the contractor and how much has been paid for the project so far? Two; what measure is the CECM taking to ensure that the project is completed and handed over to the institution? Thank you.

COMMUNICATION FROM THE CHAIR

RULING ON A MATTER THAT WAS BEFORE THE HOUSE

The Deputy Speaker (Hon. Kenga): Thank you very much hon. Member for Kayafungo Ward for the Statement. I want to respond to the issue that has been raised by hon. Mwarandu regarding the ruling on whether the Response that has been given by the CECM Agriculture is official and therefore can be deliberated by Members of this Assembly.

As I said, I think I want to apologize for the confusion. I had actually meant that in the sitting of next week and that is why I even said it will form Business of next week so that when the House Business Committee sits, then they will allocate time for us to be able to have the Response. So, kindly I request Members have patience as we consult so that we give the right ruling to this.

ADJOURNMENT

The Deputy Speaker (Hon. Kenga): Hon. Members, thank you very much for your participation and coming for this business of the Assembly. May God bless you. Thank you.

The House rose at 3:40p.m.
