**Hon. Foleni:** Thank you hon. Speaker. I am standing in for hon. Pascal Thuva Jacob, the MCA for Mwanamwinga Ward. The Notice of Motion is to the Department of Water, Environment, Minerals and Natural Resources on poor solid waste management in trading centres.

AWARE THAT, devolution brought the emergence of many townships and centres in the County.

FURTHER AWARE THAT these townships and trading centres have attracted many people to live and do businesses.

NOTING WITH CONCERN THAT, these centres have been neglected in terms of solid waste management despite being good sources of revenue for the county through the various payments of business permits.

AWARE THAT, poor solid waste management compromises the health of the inhabitants and the ecosystem at large.

This House urges the County Executive Member for Water, Environment, Minerals and Natural Resources, to come up with a policy that will see all potential trading centres manned by local residents or groups who will manage the general sanitation or solid waste management of these areas, thus addressing the unemployment menace within the county.
