NOTICE OF MOTION

TO THE EXECUTIVE MEMBER OF HEALTH

Aware that Kilifi County needs to protect its people healthwise.

Appreciating that a lot of private health facilities are cropping up in towns and even in the rural areas.

Further, Aware that most of these health facilities lack Government supervision hence exposing dangers to our people as they are attended by unprofessional nurses.

This County Assembly urges the Executive Member and the Committee members in charge of Health to work speedily and unearth all the bogus private health facilities in the county and action be taken against them.
